We create marketing material that reach your audience with engaging and memorable messaging designed to build traffic, increase your company's profile, drive sales revenue, and build consumer loyalty.

In a world of "virtual" companies and agencies comprised of work-at-home contractors, we offer our clients a one-stop-shop with all of our services managed and delivered by our team of professionals.

## **GRINDER**

Every good smoke starts with a good grind, and these 4-piece grinders can get the job done quickly and effectively. A fine mesh net collects that elusive kief and a magnetic closure keeps everything where it's supposed to be.

**Call for Pricing**

## **PLASMA USB LIGHTER**

Light up anytime, anywhere, with this dependable USB arc lighter. There's nothing to refill and no flints to replace. Not even the wind can stop you.

**Call for Pricing**

An orange rolling tray is shown from a top-down perspective, partially cut off by the top edge of the frame. It has a smooth, slightly reflective surface.

### **Full Printed Rolling Trays**

A vibrant green cannabis leaf is shown on the left side of the page, extending from the top left towards the center. It has serrated edges and a prominent vein structure.

Give your customers the ultimate branded blunt station. Solid tin construction keeps things light and sturdy so no crumb goes to waste. Its glossy surface makes it the perfect showcase for your logo to pop.

**Call for Pricing**

A black Child Guard Exit Bag is shown, partially open at the top. It has a white seal and a red tab. The bag features a white cannabis leaf logo with "ESTD 1997" on either side, and a white box containing the text "YOUR LOGO" and "DISPENSARY" below it.

### **Child Guard Exit Packaging**

These high-quality large Certified Child Child-Guard seal Exit Bags are perfect for safe child resistant transportation and storing of cannabis products.

**Call for Pricing**

### **Thin Key Vape Battery**

Conveniently thin and stylish, this vape key battery is unbeatable indoors or on the go. With an included USB cable and a 650mah capacity, you'll get all the time you need out of this key flip vape.

**Call for Pricing**

### **Mini V12 Glass Twisty Blunt**

No more burning your fingers or waisting the end of your blunt! Just add up to 1.5 grams of anything you would like and light it. Once finished, you can twist the ash out and reload and keep on going.

**Call for Pricing**

We understand that running a business is not an easy task. We are here to help businesses develop their brand. We take the workload away from you so that you can focus on what matters most.

The results our clients experience prove that only a unified, in-house team can consistently deliver professional on-point creatives which hit the mark every time.
